solidline

EXTERIOR DOORS

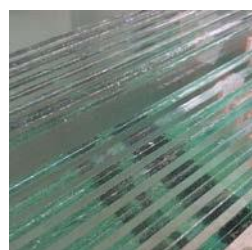

In order to give our customers product with good quality parameters and good price relation we are focused on operational excellence and production flexibility.

Solid - term that encompasses key values we strongly promote in our work: reliability, durability and trustworthiness. Underlined, give our brand a new meaning of Solidline.

STANDARD

Center unit type 8765 without additions
(no extra cost)

CENTER UNITS

Complete handle package with cylinder - chromate (model LK 06)

Fits all our exterior doors.

**Please note, that this handle package does not fit the ASSA 2002 lock case
(which is available as an option on some of our doors).**

Handles, cylinder rings and cylinder are made of cast zinc with chrome plating.
Suitable where the humidity is not too high. For example, if you live near the sea,
you should look for a handle in stainless steel or brass.

Contains:

1 x Handle LK 06

1 x Lock cylinder with 3 pcs. keys

1 x Accessories (knob, cover plate cylinder, pin, screws)
